12. Remarks:

This application is filed as part of the implementation of the operating agreement described in Section 205(a) of Public Law 101-618, which operating agreement is referred to as the Truckee River Operating Agreement. This Secondary Application is filed for permission to use for municipal and domestic purposes water stored pursuant to Primary Application No. 73867 at the places of use described herein. It is one of four applications for secondary permits to be issued under Primary Application No. 73867. It is filed pursuant to Interim Order No. 1 issued by the Nevada State Engineer on September 10, 2008. The number of acre feet listed in response to number 2(a) is the full amount of the water right being changed under Primary Application No. 73867.

Any secondary permit issued under this application shall enter into effect simultaneously with the entry into effect of the Truckee River Operating Agreement.
